Loan Estimator Version Changes

Major revisions to the Loan Estimator worksheet will be identified by new version numbering at the top of that worksheet.

The current version is: .6C

| Date Corrected | Error | Correction Made |
|-----------------------|--|--|
| July 7, 2004 | Oregon Bond Rate Changed Effective June 28, 2004 | Rate of Oregon Bond (without cash advantage) changed from 4.95% to 5.25%. Cash Advantage is .5% higher. |
| June 21, 2004 | In earlier versions of the Week 2 worksheet with Median home value comparisons, "Oregon" should have read "Oregon City". To see values for the state of Oregon, users should select "State of Oregon", which was properly shown on the list. | "Oregon" has been changed in the list of communities in the Median Value worksheet to properly read "Oregon City". |
